

## **The Sub-Sahara Spectrum Management Conference**

18-19 February, 2015, Johannesburg, South Africa

[www.subsahara-spectrum.com](http://www.subsahara-spectrum.com)

*The ONLY dedicated spectrum management event focusing specifically on the Sub-Sahara region!*

ATU is proud to be a supporting partner of this conference and is pleased to be working alongside Forum Global on this initiative.

### More information

The conference is taking place as part of the [Global Spectrum Series](#) - the world's largest and most comprehensive collection of Spectrum Management policy conferences - and will bring together high-level stakeholders and decision makers from throughout Sub-Saharan Africa and beyond to discuss topical issues relating to the management and coordination of spectrum policy across the region.

A key theme of the event will be on the regional items and priorities ahead of WRC-15. In addition to this, further sessions will also be looking at aspects including the analogue switch-off designing the digital dividend; connecting Africa and strategies to tackle the digital divide; best practice in spectrum awards; and more generally at long term and short term spectrum priorities for the region.

**Abdoulkarim Soumaila**, Secretary General, ATU, will be delivering a keynote presentation at the event.

Other key speakers include:

- **Mario Maniewicz**, Deputy Director of the Radiocommunications Bureau, ITU
- **Stephen Siphon Mncube**, Chairperson, ICASA
- **Andreas Geiss**, Head of Spectrum Management, European Commission
- **Ellen Nanuses**, Secretary General, Southern Africa Broadcasting Association (SABA)
- **John S. Nkoma**, Director General, Tanzania Communications Regulatory Authority
- **Mortimer Hope**, Director Spectrum and Public Policy, Africa, GSMA
- **Elizabeth Migwalla**, Senior Director and Head of Government Affairs, Africa, Qualcomm
- **Shiv Bakhshi**, Vice President, Industry Relations, Ericsson
- **Elhadji Maman Laminou**, Executive Secretary, West Africa Telecommunications Regulators Assembly (WATRA)
